Dear Northern Potter Jr./Sr. High School Families,

Welcome to Northern Potter Jr./Sr. High School! We are excited to start the school year and have students back in the building for classes. Our staff is looking forward to hosting in-person events again such as Homecoming, Prom, Senior Picnic, banquets, sporting events, fundraisers, assemblies, Holiday Bazaar, Parent/Student Evening Workshops, Open Gym, after school clubs, musical/play, field trips, and much more. Our goal is to increase student and parent engagement in the school community by opening our doors more than ever before.

We have several programs available to help students with academic and social emotional learning needs. After-school tutoring and Student Assistance Program are just two of the services offered. We do care about the students and strive to ensure they receive the best education possible. Please reach out to us if your child is experiencing any difficulty. We are more than willing to do whatever is necessary to help and support your child's learning.

We appreciate your effort and support. Please take a moment to view our online Student/Parent Handbook to answer any questions you may have at this time. Thank you for your patience, involvement and cooperation. Please feel free to call with any questions or concerns.

Sincerely,

Wendy J. Bailey  
Principal  
Director of Special Education Services
