

To the Northern Potter Community,

I am very excited to serve as the Northern Potter Middle and High School Principal. It has been an exciting first few weeks learning the staff, students and community. I am grateful to be a part of this learning community.

I look forward to my first full year, but will be available in the summer if you need me. Please feel free to stop in or email me at sblackwell@northernpottersd.org.

Thank you and best wishes!

Mrs. Blackwell
