

Healthy Kids Programs is excited to announce our new partnership with the Northern Potter School District for the 2022-23 school year.

For over 15 years, Healthy Kids Programs has been providing Before and After School, Summer Camp and Early Learning Programs with over 90 locations throughout the North East.

Our focus is to provide a positive, engaging and stimulating experience that promotes each child's social/emotional, physical and cognitive development. We want students to become happy, ethical, successful adults and to this end we dedicate ourselves to providing a safe, healthy, and fun-filled environment for everyone.

This Fall, we will be offering programs at the Northern Potter Childrens School.

Open house dates will be announced soon. We look forward to inviting families to come and meet our staff and learn a little more about what our school age program is all about.

We will be sharing more information in the near future such as drop off and pick up times, how to register and tuition rates.

The Healthy Kids Team
