Hello Northern Potter!

Welcome to the 2022-2023 school year! I hope everyone had an enjoyable summer vacation. My hope is that every student capitalizes on their talents and strengths by taking advantage of the academic, athletic, fine arts, and extracurricular opportunities our schools has to offer.

My goal is to see all our students reach their highest potential. With a traditional school year ahead of us, I am looking forward to having an outstanding and exciting year with you! We have the potential of having one of the highest attendance rates the district has seen in several years!

We are fortunate to welcome new staff to the district for the 2022-2023 school year:

Mrs. Sherri Blackwell, High School Principal  
Mrs. Rea Gibble, High School Agriculture Teacher  
Miss Taylor Adams, High School Agriculture Teacher  
Mr. Don Vought, High School Band and Chorus Teacher  
Miss Kristen Newcomer, Children's School 3rd Grade Teacher  
Miss Kalie Cowburn, Children's School Pre-K Teacher

You will also see some familiar faces in new roles:

Miss Wendy Bailey, Children's School Principal  
Mr. Adam Lamber, Children's School and High School Dean of Students  
Mrs. Ange Lewis, Children's School and High School Art Teacher

Over the summer, we were fortunate to have the opportunity to make significant utility improvements throughout the district including a new water system, HVAC system, electrical upgrades, repointing of exterior brick at our Children's School, and energy saving upgrades throughout the district.

I am excited to see everyone on the first day of school on Wednesday, August 24!
