

NPCS Principal's Welcome Message
August 2022

Dear Students, Parents, and Guardians,

Greetings! It is with great excitement that I introduce myself as the new principal of Northern Potter Children's School. I feel very honored and extremely grateful to be given this opportunity to lead a remarkable school that is so unique and student-centered. I am looking forward to meeting all of you and forming strong school-home partnerships. Northern Potter Children's School has a strong positive climate that makes it memorable and stands out as an exceptional school. My journey in the Northern Potter School District started in this school with a student teaching assignment with Mrs. Bretz over twenty years ago. I had the opportunity to observe in Wendy Hamilton, Mike Morgan, and Daphne Zelinka's classrooms, which gave me insight into the special attributes this school and staff members had to offer. The caring school community enables this school to thrive and be a wonderful place to educate students.

I am passionate and excited about being part of the team that cares so deeply about educating children. I have dedicated over twenty years of my career to educating and serving Northern Potter students. I have had the wonderful opportunity to educate students of all ages in both buildings for two decades as a teacher, dean of students, special education supervisor, and principal. As a parent of Northern Potter students and a community member, I know how important the school system is to the entire community.

In closing, this updated handbook should answer any questions you may have regarding the day-to-day operations here at the Children's School. Please know that my door is always open to you. I sincerely welcome your suggestions, input, comments, and feedback. Let's always keep our students the primary focus and have a wonderful school year. Go Panthers!

Respectfully,

Ms. Wendy J. Bailey, Principal
